## INTRODUCTION

The Town of Acton Community Preservation Committee ("the Committee") is pleased to present the ~~2014~~2015 Town of Acton *Community Preservation Plan* ("the Plan"). This Plan describes the process for administering the Community Preservation Act ("CPA") in the Town of Acton. The Plan presents a description of the CPA as it applies to the Town, a definition of CPA goals, and a methodology and procedure by which the CPA is administered. As such, it represents an informational document for the citizens of the Town, a guideline and instructional document for applicants seeking project funding through the CPA, and a guidance document for this and future CPA Committees in making recommendations to Town Meeting for project funding. The Committee fully recognizes that this document may be modified by future CPA Committees in response to changing goals and experience with the CPA over time.

Since Acton's adoption of the CPA in 2002, the Town has collected CPA funds through ~~ten~~ eleven complete fiscal years and appropriated CPA dollars in ~~ten-eleven~~ funding rounds<sup>1</sup> as shown in summary in *Table 1*:

***Table 1***

<i>Collections (1)</i>	<i>Appropriations</i>
FY 03: \$ 944,456	2004 Annual Town Meeting: \$ 873,483
FY 04: \$1,078,485	2005 Annual Town Meeting: \$1,083,867
FY 05: \$1,141,668	2006 Annual Town Meeting: \$1,150,553
FY 06: \$1,308,336	2007 Annual Town Meeting: \$1,331,380
FY 07: \$1,372,423	2008 Annual Town Meeting: \$1,466,605
	10/2008 Special Town Meeting: \$ 730,000 (2)
FY 08: \$1,181,612	2009 Annual Town Meeting: \$ 955,155
FY 09: \$ 969,260	2010 Annual Town Meeting: \$1,973,662 (3)
FY 10: \$ 949,752	2011 Annual Town Meeting: \$1,295,696 (4)
FY 11: \$ 958,847	2012 Annual Town Meeting: \$1,194,470
FY 12: \$ 992,585	2013 Annual Town Meeting: \$ 953,388
	06/2013 Special Town Meeting: \$1,110,000 (5)
<u>FY 13: \$ 1,232,639</u>	<u>2014 Annual Town Meeting: \$2,019,237(6)</u>
(1) Includes CPA collection from local surcharge at the fiscal year end and State Trust Fund "match" received in the following October. Does not include interest, prior year balances carried forward, and recaptured funds from closed out prior year projects. (2) From CPA Open Space Set-Aside Fund. (3) Includes a \$1,000,000 appropriation from the CPA Open Space Set-Aside Fund, which was reduced to \$830,000 at the October 2010 Special Town Meeting. (4) \$84,000 from CPA Historic Set-Aside Fund. (5) \$1,060,000 of total from CPA Open Space Set-Aside Fund. <u>(6) \$63,413 from CPA Historic Set-Aside Fund &amp; \$330,000 from CPA Open Space Set-Aside Fund.</u>	

Formatted: Font: 9 pt, Not Bold

<sup>1</sup> Since the inception of CPA in Acton, Town Meeting appropriated from Community Preservation Fund revenues collected during and for the closed previous fiscal year and from older Fund balances. For example: The April 2011 Annual Town Meeting appropriated from the Community Preservation Fund balance, which at that time consisted of (1) the local revenues raised during Fiscal Year 2010 (FY 2010, running from July 1, 2009 through June 30, 2010); (2) the interest earned during FY 2010; (3) the balance standing in the Fund after previous years' appropriations; (4) the unspent funds recaptured from prior years' completed project accounts; and (5) the matching State Trust Fund Distribution for FY 2010 received in October of 2010.

| Summaries of these appropriations are at <http://www.acton-ma.gov/index.aspx?nid=260>.

The Committee wishes to thank the multitude of Town citizens, Town and State officials, the Massachusetts Community Preservation Coalition, and Committee members, as well as members of neighboring towns' community preservation committees for their help in the development of this Plan.

For additional information on the CPA statute and how it is being applied in towns across the State, visit the Community Preservation Coalition website at [www.communitypreservation.org](http://www.communitypreservation.org). For information on Acton's Community Preservation activity, visit the Town website at [www.acton-ma.gov](http://www.acton-ma.gov).

**Comment [r1]:** This web page needs updating to include 2014 documents.

## THE COMMUNITY PRESERVATION ACT IN ACTON

The Community Preservation Act, M.G.L. c. 44B as amended on July 1, 2012, ("the CPA") allows Massachusetts cities and towns to raise monies through a surcharge or through other locally raised revenue sources of up to 3% of the real estate tax levy<sup>2</sup>. These funds may then be used to acquire, create and preserve open space; acquire, preserve, rehabilitate and restore historic resources; acquire, create, preserve and support community housing; and acquire, create, preserve, rehabilitate and restore land for recreational use and rehabilitate open space and community housing acquired or created with CPA funds (Coalition). The Act also provides significant State matching funds. Annual State CPA trust fund distributions matched 100% of Acton's locally raised CPA funds in 2003 through 2007, 67% in 2008, 35% in 2009, and about 27% in 2010 through 2012. The growing number of communities that have adopted the CPA, and reduced State trust fund revenues indicate that the percentage of State distributions will remain lower than in the early years of the CPA. However, as in 2013, (Coalition) a \$25 million State budget surplus transfer to the State trust fund has been included in the State's FY15 budget and will be transferred on October 31, 2014 contingent on sufficient funding in the State's surplus. This will be the second consecutive year of a transfer from the State budget surplus. on July 1, 2012 will increase the match in 2013 over the prior year level. These additional funds boosted Acton's 2013 CPA state match to a rate of 52% of local CPA revenues, and is likely to result in a more robust CPA match rate in the fall of 2014 as well. (Coalition)

**Comment [k2]:** *Coalition:* The new "Blended" form of CPA requires adoption by the community at a ballot election before these alternate municipal funding sources can be used. Perhaps this point should be made more clearly here?

**Formatted:** Font: Italic

**Formatted:** Font: Italic

**Formatted:** Font: Italic

As of June ~~2013~~2014, 155 Massachusetts cities and towns have adopted the CPA. Each year the state match is distributed in three rounds to the participating cities and towns based formulas established in the CPA. Only cities and towns that fund the CPA at a 3% level from the local surcharge or other funding sources allowed under CPA as amended on July 1, 2012 can participate in the second and third rounds each year (Coalition) to receive a higher state match.

Acton voters approved the Community Preservation Act, M.G.L. c. 44B, at the 2002 Annual Town Meeting and at the November 2002 General election. Acton elected to fund the CPA account through a 1.5% surcharge on all real estate property tax bills with two exemptions:

- Residential property owned and occupied by any person who qualifies for low-income housing, or low- or moderate-income senior housing.
- \$100,000 of taxable value of all residential real property<sup>3</sup>.

In Acton, tThe collection of CPA surcharges began with Fiscal Year (FY) 2003. Revenues (by source) and appropriations (excluding appropriations from set-aside funds) for 2003 through ~~2012-2013~~ as audited are shown in *Table 2*. FY 2014 revenues from the local CPA surcharge are

<sup>2</sup> CPA as amended in 2012 allows cities and towns with a minimum 1% surcharge to augment their local CPA contribution to up to 2% of their real estate tax levy with other municipal revenue sources "... including, but not limited to, hotel excises pursuant to chapter 64G, linkage fees and inclusionary zoning payments, however authorized, the sale of municipal property pursuant to section 3 of chapter 40, parking fines and surcharges pursuant to sections 20, 20A and 20A1/2 of chapter 90, existing dedicated housing, open space and historic preservation funds, however authorized, and gifts received from private sources for community preservation purposes; and provided further, that additional funds so committed shall not include any federal or state funds.

<sup>3</sup> CPA as amended in 2012 allows cities and towns to adopt an additional exemption of \$100,000 of taxable value of commercial and industrial properties. Acton may want to consider adopting this new exemption sometime in the future. (Coalition).

**Formatted:** Font: Italic

estimated slightly above FY 2013 levels. State collections of fees dedicated to CPA at the Registries of Deed, which provide funding for the statewide CPA Trust fund, have been down compared to the last seven months of the previous year; therefore, and the FY2014 CPA State match is expected to be substantially abovebelow the level of that of FY ~~2012~~2013.

**Comment [k3]:** FY14 Collection is \$833,733;  
FY13 collection was \$808,604.27

Community Preservation Fund appropriations from Fiscal Years 2003-~~2012~~ 2013 have contributed a total of ~~\$3,925,000~~ 4,375,000 to the Open Space Set-Aside Fund. The CPC recommended, and Town Meeting approved funding for ~~three~~ ~~five~~ four open space purchases from the Open Space Set-Aside Fund<sup>4</sup>. Table 3 shows the history of the Open Space Set-Aside Fund:

**Comment [k4]:** (Coalition) : You might want to consider adding a foot-note here explaining what the Open Space Set-Aside Fund is, or referring them to page 9, the section entitled "CPA Funding Requirements."

**Table 3**

Fiscal Year	Open Space Set-Aside Fund Activities		
	Appropriations to the Set-Aside Fund (\$)	Appropriations from the Set-Aside Fund (\$)	Set-Aside Fund Balances (\$)
2003	200,000		200,000
2004	300,000		500,000
2005	400,000		900,000
2006	350,000		1,250,000
2007	500,000	730,000 (1)	1,020,000
2008	425,000		1,445,000
2009	500,000	830,000 (2)	1,115,000
2010	450,000		1,565,000
2011	500,000		2,065,000
2012	300,000	1,060,000 (3)	1,305,000
2013	450,000	330,000 (6)	1,658,572
Other	162,943 (4) 70,629 (5)		1,467,943 1,538,572 (7)

(1) +/-5.25 acres off Piper Lane in South Acton plus a conservation restriction on adjacent +/-0.2 acres (2008 Gaebel land purchase with house; \$730,000 from Open Space Set-Aside).  
 (2) +/-10.2 acres off Stow and Martin Streets in South Acton plus a conservation restriction on +/-3.1 acres of adjacent land (2010 Simeone/Caouette land purchase; initially \$1,000,000, later reduced to \$830,000 from Open Space Set-Aside).  
 (3) +/-20.7 acres at the intersection of Arlington Street and Newtown Road west of Acton Center (2013 Anderson land purchase; \$1,060,000 from Open Space Set-Aside).  
 (4) \$162,943 from the sale of the house at Piper Lane was returned to the Open Space Set-Aside Fund as directed in the 2008 purchase appropriation (footnote (1) above).  
 (5) Actual open space acquisition costs were somewhat below the appropriation amounts. This

<sup>4</sup> A fourth open space purchase was funded from general CP Funds: +/-12 acres off Nagog Hill Road by the Nagog Hill Conservation Area (2007 Groener land purchase - \$100,000)

figure adjusts for that.

- (6) +/-14 acres located at 18 Wright Terrace (\$330,000 appropriated up front from Open Space Set-Aside, the remaining balance was bonded under the Community Preservation Program pursuant to M.G.L c. 44B, S 11). An estimated annual bond cost of \$65,015 +/- must be paid each year for the next 20 years from CPA funds.
- (7) \$1,658,572, the current Open Space Set-Aside Fund balance as of June 2013.

**Comment [r5]:** Reordered the footnotes to better follow the sequence of events.

Appropriations to date from the Community Preservation Fund (excluding appropriations from the set-aside funds) to projects in the four CPA target areas<sup>5</sup> are approximately as shown in the Table 4 (amounts in \$). Appropriations are not equal to actual amounts expended. This is because some projects did not proceed while others did not fully deplete their funding. The remaining balances in the appropriation account are recaptured on a regular basis and made available for new project appropriation in subsequent years. Table 4 is for illustrative purposes only; all numbers are rounded and approximate.

**Comment [k6]:** (Coalition) : Again, this may confuse readers who don't know what the set-aside funds are, though it may not be a problem if you include a foot-note explaining the set-aside funds on the previous page, when they are first mentioned.

**Table 4**

Fiscal Year	Open Space	Historic Preservation	Community Housing	Recreation	Administration & Other	Total
2003	200,000	84,000	250,000	297,000	43,000	874,000

### Community Preservation Committee: Formation and Responsibilities

Consistent with the terms of the CPA and with the Community Preservation Committee Bylaw adopted at the April 2, 2002 Town Meeting, the Community Preservation Committee has been formed to administer the CPA. It consists of three at-large members appointed by the Board of Selectmen (Susan Mitchell-Hardt, Walter Foster; Peter Ashton); representatives of the Board of Selectmen (~~David Clough~~Peter Barry), Conservation Commission (Amy Green), Historical Commission (Victoria Beyer), Planning Board (Roland Bourdon III), Recreation Commission (~~Betsy Mercier~~Joe Will), and Acton Housing Authority (Ken Sghia-Hughes); and two associate members (currently vacant). The Selectmen have assigned the Planning Department to provide the Committee with staff assistance.

This Plan evolved from the previous years' *Community Preservation Plans*. It incorporates lessons learned from the previous rounds of project selections and funding appropriations. The Committee seeks ongoing input from many interest groups, including Town departments and committees, environmental and land trust organizations, and the general citizenry. The Committee uses for reference and guidance the Acton 2020 Comprehensive Community Plan (Master Plan, 2012), the 2002–07 Acton *Open Space and Recreation Plan*, and other relevant planning documents. This Community Preservation Plan attempts to capture Acton's community preservation needs and goals in the four CPA target areas. This Plan also outlines the processes by which the Committee solicits, reviews, and recommends project proposals for CPA funding,

<sup>5</sup> The CPA allows spending in four target areas: (1) ~~acquisition, creation and preservation of~~ open space; (2) ~~acquisition, preservation, rehabilitation and restoration of~~ historic resources; (3) ~~acquisition, creation, preservation, and support of~~ community housing; and (4) ~~acquisition, creation, preservation, rehabilitation and restoration of~~ land for recreational use (for more information on CPA allowable uses, see the chart on page 12. Also, the CPA allows administrative expenses. (Coalition).

**Formatted:** Font: Italic

and it includes the application form and instructions. It is updated every year to reflect changes in goals or emphasis.

## CPA Funding Requirements

The CPA mandates that each fiscal year Acton must spend, or set aside for later spending, at least 10% of ~~its~~<sup>the</sup> annual Community Preservation Fund revenues that were collected from the local surcharge and State match for each of three CPA target areas: open space ~~including and~~ recreation, historic resources, and community housing. Acton Town Meeting decides each year how much of the remaining 70% of the funds (or 65% of the funds, if it chooses to appropriate 5% of annual CPA revenues for the administrative needs of the Action Community Preservation Committee, as allowed by the CPA statute) – Coalition to spend on the three purposes identified above or separately for recreation, based on the Committee recommendations. Any monies not appropriated remain in the Fund for future distribution.

A favorable Committee recommendation and a Town Meeting appropriation are both required to spend Fund monies for any community preservation purposes. Appropriations from the Fund, except borrowing and eminent domain proceedings (the latter of which are very rare)– Coalition, are made by a simple majority vote. Borrowing and eminent domain proceedings – Coalition for CPA purposes requires a two-thirds majority vote.

Town Meeting may approve, reduce, or reject any appropriation amounts recommended by the Committee. At the Committee's recommendation, Town Meeting may also set aside all or part of the annual Fund revenues for later spending into set-aside accounts for one or more community preservation purpose categories. Town Meeting may not, however, increase any recommended appropriation or set-aside, nor appropriate or set aside any fund monies on its own initiative without a prior favorable recommendation by the Committee.

All citizens are welcome to attend the Committee's meetings. The times and locations of these meetings are posted at Town Hall and on the Town website, [www.acton-ma.gov](http://www.acton-ma.gov). Written comments or questions are welcome and may be submitted via email to [cpc@acton-ma.gov](mailto:cpc@acton-ma.gov) or directed to the Community Preservation Committee, c/o Planning Department, Town Hall, 472 Main Street, Acton, MA 01720.

## Gifts to Community Preservation Fund

The Town of Acton can accept monetary gifts to the Community Preservation Fund. Gifts can be designated for specific purposes consistent with the four statutory categories – open space, community housing, historic preservation, and recreation. Gifts may be made in a variety of forms, including cash and securities. Gifts to the Town of Acton are tax-deductible to the full extent allowed under the Internal Revenue Code. For more information please review the Town of Acton 2006 Guide to Giving at <http://doc.acton-ma.gov/dsweb/View/Collection-1632/Document-17630>.

## HOW CPA FUNDS CAN BE USED

---

Community Preservation Act funds must be used for public community preservation purposes. The following guidelines summarize these public purposes.

Community preservation is defined by the Act as, "the acquisition, creation and preservation of open space, the acquisition, creation and preservation of historic structures and landscapes, and the acquisition, creation and preservation of community housing."

Preservation is defined as, "the protection of personal or real property from injury, harm or destruction."

As detailed by the CPA, Fund monies may be spent to undertake the following primary community preservation purposes:

- The acquisition, creation, and preservation of open space. Open space, as defined by the CPA, "shall include, but not be limited to, land to protect existing and future well fields, aquifers and recharge areas, watershed land, agricultural land, grasslands, fields, forest land, fresh water marshes and other wetlands, river, stream, lake and pond frontage, lands to protect scenic vistas, land for wildlife or nature preserve and land for recreational use."
- The acquisition, creation, preservation, and support of community housing. The CPA defines community housing as, "low-and moderate- income housing for individuals and families, including low-or moderate- income senior housing." This means housing for persons and families with incomes below ~~100%80%~~ *(Coalition)* of the Boston Primary Metropolitan Statistical Area's (Boston PMSA) median income as determined by the U.S. Department of Housing and Urban Development (HUD). The CPA defines the term "support of community housing" as including, but not limited to, "programs that provide grants, loans, rental assistance, security deposits, interest-rate write downs or other forms of assistance directly to individuals and families who are eligible for community housing or to an entity that owns, operates or manages such housing, for the purpose of making housing affordable".
- The acquisition, preservation, rehabilitation, and restoration of historic resources. The CPA recognizes historic resources as "a building, structure, vessel, real property (including a historic landscape), document or artifact that is listed on the State register of historic places or has been determined by the local historic preservation commission to be significant in the history, archeology, architecture, or culture of a city or town." For CPA purposes, the local historic preservation commission is the Town of Acton Historical Commission.
- The acquisition, creation, preservation, rehabilitation and restoration of land for recreational use. The CPA defines recreational use as, "active or passive recreational use including, but not limited to, the use of land for community gardens, trails, and noncommercial youth and adult sports, and the use of land as a park, playground or athletic field. 'Recreational use' shall not include horse or dog racing or the use of land for a stadium, gymnasium, or similar structure." The CPA also provides "that with respect to land for recreational use, 'rehabilitation' shall include the replacement of

playground equipment and other capital improvements to the land or the facilities thereon which make the land or the related facilities more functional for the intended recreational use". A "capital improvement" is defined as: "reconstruction or alteration of real property that: (1) materially adds to the value of the real property, or appreciably prolongs the useful life of the real property; (2) becomes part of the real property or is permanently affixed to the real property so that removal would cause material damage to the property or article itself; and (3) is intended to become a permanent installation or is intended to remain there for an indefinite period of time." - Coalition

Community Preservation Act funds may also be used for the following purposes:

- The "rehabilitation or restoration of open space and community housing that is acquired or created" using CPA monies.
- Revenues "set aside" for "later spending."
- Annual "administrative and operating expenses" of the Committee, not to exceed 5% of the Fund's annual revenues.
- Annual principal and interest payments, preparation, issuance, and marketing costs for bonds or notes for borrowings for community preservation purposes.
- Damages payable to property owners for real estate interests taken by the Town by eminent domain for community preservation purposes.
- "Local share for state and federal grants" for allowable community preservation purposes.
- Property acquisition-related expenses including appraisals, land surveys, baseline studies to establish conservation values, title searches, legal fees, costs regarding the issuance of the required restriction on the land, and other closing expenses for the project.
- If a grant of a perpetual restriction to a not-for-profit conservation organization is intended, the amount requested at Town Meeting may include funding for the holder of the restriction for ongoing site monitoring and potential enforcement.

As of July 1, 2012, the CPA also encourages the Committee to consider "regional projects for community preservation".

Community Preservation Act funds may **not** be spent for the following purposes:

- As a replacement or substitute for operating funds. The CPA is a supplementary funding source intended to increase available resources for community preservation acquisitions and initiatives.
- Payment for routine maintenance, defined in the CPA as "incidental repairs, which neither materially add to the value of the property nor appreciably prolong the property's life, but keep the property in a condition of fitness, efficiency or readiness."
- Gymnasiums, stadiums, or any similar structure.
- Acquisition of artificial turf for athletic fields.
- Projects without a public purpose or public benefit.

The following *Table 5* was provided by the Community Preservation Coalition:

***Table 5***

<b>Determining Project Eligibility</b>				
It's all about the <b>VERBS!</b>				
	<b>Open Space</b>	<b>Historic</b>	<b>Recreation</b>	<b>Housing</b>
<b>Acquire</b>	Yes	Yes	Yes	Yes
<b>Create</b>	Yes	-	Yes	Yes
<b>Preserve</b>	Yes	Yes	Yes	Yes
<b>Support</b>	-	-	-	Yes
<b>Rehabilitate and/or Restore</b>	Yes – if acquired or created with CP Funds	Yes	Yes	Yes – if acquired or created with CP Funds

## OPEN SPACE AND RECREATION

In the ~~2002-2007~~2013-2018 Town of Acton *Open Space and Recreation Plan* (the OSRP) the residents of Acton identified three key open space and recreation goals:

- Preserve the ~~remaining-existing~~ elements of Acton's rural character
- Protect ~~critical the~~ environment resources
- Improve and expand recreational opportunities

In reaffirming these three key goals the residents of Acton continue to recognize the importance of open space and adequate passive and active recreational areas as critical to preserving the character of the Town and thereby the quality of life shared by its citizens.

### A. Open Space Resources and Needs

Although the Town continues to experience residential development, Acton remains a community with abundant natural and scenic resources, including dedicated conservation lands, active farmlands, open fields, woodlands, and wetlands and waterways. These resources contribute to making the Town a desirable place to live, a factor which has fueled its continued residential growth. Hence, the Town lies at a crossroads, where many of its natural resources are threatened by the very development they attract.

Currently, about ~~14%13%~~ or ~~1,792-871~~ acres of Acton's approximate 12,990 acres are considered protected as "conservation lands." The degree of protection offered these lands varies in accordance with the method of their original acquisition, but only about 134 acres are permanently protected by state-approved conservation restrictions. The Acton Water District owns approximately 400 acres for water supply protection purposes, and approximately 787 acres have been set-aside for open space and/or recreational use in association with cluster housing developments under the Acton Zoning Bylaw (PCRC or OSD), but none of these lands is protected by permanent conservation restrictions. Since 2005 a number of open space parcels in Acton have been successfully preserved through purchase in fee by a land trust, legislative actions and permanent conservation restrictions, including the Whitcomb land in Heath Hen Meadow Brook (16 acres) and the Kingman Pasture on Esterbrook Road (6.5 acres) permanently protected by Acton's local land trust, the Acton Conservation Trust, the MCI Concord farm fields (107 acres), the Groener parcel at Nagog Hill (12 acres), the Haartz Corporation woods (21 acres), the Gaebel parcel at Great Hill (5.5 acres), the Caouette-Simeone farm fields (~~12-8.5~~ acres) ~~and, more recently,~~ the Anderson property (20 acres)<sup>6</sup>, and more recently, the Wright Hill Land (14 acres). However, over time, the development of the Town's "green spaces" has out-paced land protection. The CPA offers a significant tool for increasing the protection and preservation of the Town's open spaces, farmlands, and natural resources.

**Comment [k7]: SMH** - My rationale for changing the numbers in the second paragraph of A. "Open Space Resources Needs" comes from the updated OSRP. I used numbers taken from the updated OSRP, p 5-3, Table 5.A.1: Inventory of Lands of Conservation and Recreation Interest. I added number of acres in Conservation Restrictions (126) to 1745 acres - attributed to Conservation Areas and the total is 1,871 protected acres. I multiplied Acton's approximate number of total acres (12,990 acres) times 14% which equals 1,818.6. 1,818.6 practically 14% (slightly more as 1,871 protected acres is slightly more than 14% or 1818.6).

<sup>6</sup> The Groener parcel, Gaebel Parcel at Nagog Hill, Caouette-Simeone Farm fields, ~~and~~ Anderson property, and Wright Hill Land were funded with CPA funds.

The CPA allows and encourages the acquisition, creation, and preservation of open space. CPA funds may be used to protect open space by outright purchase, through bonding, through purchases made in conjunction with other private and/or public funds, and/or by extinguishing or limiting development rights through the purchase of permanent land conservation or agricultural preservation easements or restrictions. In identifying multiple land preservation and funding methods, the CPA essentially recognizes the prohibitive costs of land in communities such as Acton, and similarly recognizes that CPA funds alone will likely not be sufficient for the protection of significant tracts of land.

CPA ~~administrative (Coalition)~~ funds may also be used to support land protection efforts through the development of land protection plans or strategies, such as the development of local Open Space Plans required by the State as a prerequisite for receiving funding for land purchases. Similarly, CPA funds may be ~~transferred to the town's Conservation Fund, held by the Acton Conservation Commission used to establish land protection trust funds (Coalition)~~, the monies of which can be used to conduct preliminary land assessments and enable the Town to rapidly respond to land protection opportunities.

Conservation Restrictions are required for all lands acquired under CPA for Open Space and Recreation; until this document is completed and filed, the terms of the CPA acquisition have not been technically completed.

CPA funds may be used for drafting Conservation Restrictions, as well as for conducting the associated baseline documentation, for all open space and recreation purchases under CPA. Funds for drafting the Conservation Restriction and conducting the Baseline Documentation may be appropriated as part of the CPA Warrant Article that acquires the property. If a grant of a perpetual restriction to a not-for-profit conservation organization is intended, the amount requested at Town Meeting may include funding for the holder of the restriction for ongoing site monitoring and potential enforcement. Alternatively, if the Warrant Article hasn't specified such an appropriation, the Open Space Committee may request funds from the Open Space Acquisition and Preservation Fund to cover expenses associated with the drafting of the Conservation Restriction and conducting the Baseline Documentation.

### Open Space Preservation Goals

- Preserve the ~~remaining-existing~~ elements of Acton's rural character, including the natural and man-made features that contribute to Acton's character such as open fields, agricultural lands, woodlands, waterways, and scenic vistas.
- Preserve open space and develop additional public open spaces and parklands including, but not limited to, areas bordering Fort Pond Brook, Nashoba Brook, the Assabet River, and their tributaries.
- Protect and maintain the remaining farmland in Town. Encourage continued or new farming enterprises. ~~Protect existing open fields and meadows.~~
- Preserve large tracts of undeveloped land.

- Preserve small tracts of undeveloped land that contribute to other open space goals, such as smaller parcels that preserve village center characteristics, are located adjacent to existing protected open spaces, or that preserve corridor linkages between larger open space parcels. [Acquire and develop pocket parks/commons in Acton villages.](#)
- Preserve lands that protect the quality and quantity of Acton's water supply, wildlife corridors and wildlife habitat, and/or that restore polluted environmental resources.
- Obtain open space through the outright purchase of potentially developable land as well as through methods such as, but not limited to, acquiring development rights and encouraging property owners to protect and/or preserve their land as open space through conservation restrictions, agricultural preservation restrictions, or other means.

## B. Recreational Resources and Needs

The CPA statute defines recreational use as "active or passive recreational use including, but not limited to, the use of land for community gardens, trails, and noncommercial youth and adult sports, and the use of land as a park, playground or athletic field." The Town's priorities for recreational opportunities and facilities are documented in the [2002-20072013-2018](#) Town of Acton Open Space and Recreation Plan (the OSRP). A key goal in that document is to improve Acton's recreational opportunities, recognizing the importance of adequate passive and active recreational areas as critical to preserving the character of the Town and the quality of life for its citizens.

### Recreation Resources

Active recreation is a very high priority among Acton's youth and adults, many of whom participate in the Town's athletic leagues. Acton's active recreation fields and -Nathaniel Allen Recreation Area (NARA) make up about 63 acres, not including fields on school campuses. CPA funds have helped to improve and expand opportunities for active recreation. .-The Town, working with a private youth baseball organization, The Miracle League of Massachusetts, has completed construction at NARA of a Miracle Field to accommodate athletes with disabilities. CPA funds were awarded to construct a multi-use picnic pavilion at NARA and for design plans for a comfort station and snack bar near Miracle Field. Development of 10.6 acres at School Street is pending and is anticipated to provide additional field space CPA funds were [also](#) appropriated for the addition and expansion of the T.J. O'Grady Skate Park.

Currently, the Town maintains six playgrounds. Others are available at the elementary schools, including a CPA-supported playground at Gates Elementary School. CPA funds were appropriated to install equipment at the Elm Street playground and for surfacing; CPA funds also were awarded to resurface the nearby Elm Street tennis courts. Together with the Town, a group of private citizens, Friends of the Playground have secured funding to rebuild the Goward Playground.

Much of the Town's permanently protected open space includes a network of foot trails that provide opportunities for passive recreation, such as hiking, cross-country skiing, and access to ponds and streams. CPA appropriations have enabled the building of a Universal Access Path at

the Arboretum and the Woodland Path at Leary Field, and have funded the design phases of the Assabet River and Bruce Freeman Rail Trails.

Public swimming facilities include the High School pool and the NARA pond. Citizens can enjoy fishing and canoeing at Ice House Pond, Nashoba Brook, and Fort Pond Brook.

### **Recreation Needs**

As Acton's population has grown, so has the popularity of its recreation programs. There is a need for recreational opportunities to be broadened to include all age groups and interests, as well as to meet the increasing demand of the youth and adult sports organizations. New avenues are being actively explored. However, according to National Recreation and Park Association standards, Acton still has a shortage of active recreation land to meet the needs of its citizens (please refer to the OSRP).

Improvements have been made in the areas of recreation however; there is still a need to serve Acton's significant population of families with young children. As playgrounds age further investment will be needed in this area.

The development of new recreational facilities should take the shape of multi-use recreational area, which incorporate playing fields, open space, landscaping, and shade to ensure participant and spectator comfort, land protection, and aesthetic appeal. Funding of such areas would not only provide much-needed playing fields, but would maximize the benefit of CPA funds by creating open space buffers to offset increased development. Opportunities to repurpose existing recreation areas should not be overlooked. The addition of sports lighting to previously unlit fields can also increase field availability by extending useable time into the evening hours.

### **Recreation Needs**

The recreation needs specified in the OSRP are:

- **Create and Implement a Master Plan for NARA**
- **Implement the Morrison Farm Reuse Plan**
- **Develop and Expand Facilities at Ice House Pond**
- **Develop New and Improved Facilities such as additional Community Gardens**
- **Ensure playground facilities are made up to date, safe and accessible**
- **Enhance the quality of Acton's athletic fields through improved, environmentally-conscious maintenance techniques**
- **Optimize the condition of athletic fields to meet the needs of the town's growing population.**
- **Ensure handicapped accessibility is available for recreational activities**
- **Promote and prepare for the development of the two regional bike trails planned to run through Acton**
- **Acquire and develop pocket parks/commons in Acton's villages**

### **Recreation Goals**

The recreation goals specified in the OSRP are:

- Improve and expand the facilities at the NARA Park.
- Implement the Morrison Farm Reuse Plan
- Develop the Ice House Pond Recreation Area
- Create additional facilities and improve existing ones.
- Ensure playground facilities are made up to date, safe and accessible
- Enhance the quality of Acton's athletic fields
- Provide additional athletic fields to meet the needs of the town's growing population
- Expand handicapped accessibility
- Acquire and develop pocket parks/commons in Acton villages.
- ~~Develop active recreational resources identified in the OSRP including playing fields, improved/new playgrounds, and improved handicapped access; also address adult senior and toddler recreational needs.~~
- ~~Provide additional athletic fields to meet the needs of the Town's growing population and develop multi-use recreation areas.~~
- Develop regional bike trails through Acton.
- Create more expansive human and wildlife corridors.
- Enhance resources for hiking, cross-country skiing, horseback riding, boating, and fishing on conservation lands.
- ~~Ensure universal accessibility to recreational activities (e.g., trails, picnicking, watching at athletic fields, water-based recreation and camping) at both recreation and conservation areas.~~
- Acquire land to fulfill identified current and future recreational needs.

## COMMUNITY HOUSING

---

The CPA statute defines “community housing” as housing for low- and moderate-income individuals and families, including senior housing. “Low-income housing” is for households whose annual income is less than 80% of the area-wide median income. “Moderate income housing” is for households whose annual income is less than 100% of the area-wide median income. The area-wide median income is determined annually by the United States Department of Housing and Urban Development (HUD).

Acton’s estimated area-wide<sup>7</sup> median income in 2014~~3~~ is \$94,1400 for a family of four. However, for housing units created with CPA funds to be counted toward Acton’s 10% affordable housing goal set by the State, the units must serve those households whose annual income is less than 80% of the area-wide median income. CPA funds can also be used for housing units serving households of 80% - 100% of the Area Median Income even though they will not count toward Acton’s 10% goal.

Acton has some lower-priced market housing units, primarily small one- and two-bedroom condominiums converted from apartments, but very few of these qualify as affordable housing units under State law. In Massachusetts, the term “affordable housing” applies to housing units made affordable to low-and moderate- income households by a recorded deed rider that restricts sale prices and rents in perpetuity to income eligible households. The Acton Community Housing Corporation may use CPA funds to subsidize the selling price of existing units in exchange for requiring recorded deed riders to restrict future re-sales to income eligible households at affordable prices.

CPA funds may be expended “for the acquisition, creation, preservation and support of community housing and for the rehabilitation or restoration ... of community housing acquired with CPA funds,” but not including maintenance. The Acton Housing Authority and the Acton Community Housing Corporation are the local agencies primarily responsible for implementation of community housing projects.

### Community Housing Resources and Needs

During the development of the *Acton 2020 Comprehensive Community Plan* (Master Plan adopted in 2012) residents of the Town reaffirmed their commitment to provide affordable housing by adopting the goal to Support Inclusion and Diversity. In order to retain Acton’s community character, it is critical for the Town to encourage and enable a diverse range of resident households to live here. These include municipal and school employees, people who work locally, elderly residents, the adult children of Acton residents, and other first time home buyers.

~~The high cost of housing continues to be a major concern of Massachusetts residents. Respondents to a 2009 UMass Donahue Institute/CHAPA Housing Poll<sup>8</sup> reported that residents of Massachusetts remain deeply concerned about the affordability of housing in spite of recent~~

---

<sup>7</sup> Boston Primary Metropolitan Statistical Area

<sup>8</sup> <http://www.massbenchmarks.org/publications/studies/pdf/housingpoll09.pdf>

declines in housing prices in local markets across the Commonwealth. When compared to other major public policy issues, housing affordability and jobs rank as the public policy issues of greatest concern to state residents. In this poll, housing affordability ranked ahead of other major public policy issues including health care and public safety.

These concerns cause residents to seriously consider moving out of Massachusetts; prevent elderly residents from staying in their town and young families from moving in; hurt the local economy because businesses are having a harder time finding and keeping workers; and prevent municipal workers from living in the towns they serve. The national definition of housing affordability assumes that a home is affordable to its owners if their monthly housing costs, a mortgage payment, property taxes, and house insurance, do not exceed 30% of their monthly gross income. When households pay more than 30% of their gross income for housing costs, they are classified as "housing cost burdened." In 2004, 23.8% in Acton met the definition of housing cost burdened households.

Affordable housing opportunities help Acton attract and retain talented employees upon whom the Town depends to provide high quality public services. The average selling price value of all single family residential units in Acton was \$506,447,000 in 2013<sup>2</sup>. The annual income needed to buy the average priced home is \$146,30,000, based on a 10% down payment, 30% of income dedicated to home purchase, a 4.5% fixed-rate 30-year mortgage, and annual payments for homeowners insurance and local real estate taxes. This means that about 57% of the households in Acton cannot afford to buy an average priced home in the town today. With the recent economic slowdown and very recent slight upturn in the housing market some relief may be offered, but it is likely that almost a majority of Acton households will not be able to afford the average priced home in town in the near future.

**Comment [k8]:** 10% of 506,000 is \$50,600; where does \$146,000 come from? (\$146,000 is 28.85% of \$506,000)

A 1969 State law, called the Comprehensive Permit Law, created a standard for communities to provide a minimum of 10% of their housing inventory as affordable units. In April 2013, the Massachusetts Department of Housing and Community Development certified 552 or 6.5% of Acton's 8,475<sup>9</sup> dwelling units as deed-restricted affordable housing. That leaves Acton 295 affordable units short of the Town's goal of 10% low- or moderate-income housing units based on the 2010 U.S. Census.

In 2004, the Town completed the Community Development Plan *To Live in Acton*, which identified these five housing needs in order of priority:

- Affordable rental units for very low- and low-income families;
- Affordable rental units designed for low-, moderate- and middle-income senior citizens, and persons with disabilities;
- Affordable homeownership units for moderate-income families;
- Affordable homeownership units in a range of residential use types and sizes for moderate- and middle-income seniors; and
- Homeownership units at below-market prices for middle-income households at 100%-130% of the Area Median Income.

The *Acton 2020 Comprehensive Community Plan* (Master Plan adopted in 2012) provides more detailed information and should be referred to for additional discussion of community housing.

<sup>9</sup> U.S. 2010 Census total housing unit count

In 2012 ~~and 2014~~, the CPA recommended and Town Meeting approved ~~an~~ expenditures of \$40,000 ~~and \$42,000~~ to provide funding for ~~two-four~~ years of Regional Housing Services based in the Town of Sudbury. This is an inter-municipal collaboration between Acton, Bedford, Concord, Lexington, Sudbury and Weston. Member communities receive administrative housing services for an annual fee per an Inter-Municipal Agreement. These services include: Monitoring of all affordable units to insure compliance with the regulatory agreements; Program Administration; assisting ACHC and Planning with local support and interaction with state housing agencies; and regional housing efforts. This has been an extremely valuable service to the Town of Acton.

### Community Housing Goals

The Acton CPC has established the following goals in order to address the housing needs of the community.

- Acquire, create, preserve and support community housing and rehabilitate or restore community housing that is acquired or created under the CPA. Give preference to the reuse of existing buildings and to the construction of new buildings on previously developed sites.
- Limit or subsidize purchase price or rental fees to the Department of Housing and Community Development's established maximum low- and moderate-income limits to ensure that units are counted toward Acton's 10% goal for affordable housing.
- Promote economic diversity of Acton residents by providing housing for households earning at a range of 30%-100% of the Area Median Income.
- Provide permanent rental housing units that include support services for elderly and persons with disabilities.
- Support the Acton Housing Authority's plan to increase the inventory of affordable rental housing for families by developing more units on existing AHA land and/or purchasing additional condominium units.
- Encourage non-profit organizations to build and advocate for affordable housing in Acton.
- Encourage diversity in Acton's population by achieving a mix of homes that enhances Acton's town character and provides needed choices for all its residents.
- Encourage housing designs that preserve the character of Acton's established residential neighborhoods.
- Promote Smart Growth and be guided by sustainable development principles.

## HISTORIC RESOURCES

Historic Resources are defined by the CPA as buildings, structures, vessels, or real properties that are listed ~~or eligible for listing~~ *(Coalition)* on the State Register of Historic Places or are significant in the history, archeology, architecture, or culture of Acton as determined by the Acton Historical Commission. CPA funds may be used for ~~the acquisition~~ *(Coalition)* preservation, restoration or rehabilitation of historic resources (including Town-owned historic resources), but not for routine maintenance. Unless such historic resources are in public ownership, the public purpose of investments in historic resources must be apparent, and ~~or~~ must be protected by a preservation restriction that ensures a public benefit. All projects funded in the Historic Resources category must meet the Secretary of the Interior's Standards for Rehabilitation (see Appendix 5).

Currently, Acton has a considerable number of historic assets including municipal buildings, private homes, and ancient artifacts. Listed on the State and National Registers of Historic Places are the Faulkner House, the Jones Tavern, the Exchange Hall, the Jonathan Hosmer House, the John Robbins House, the former Acton High School (1926), the Isaac Davis Trail ("Line of March" of the Acton Minutemen in 1775), and the Acton Center Historic District, which includes over 40 buildings and structures. Listing on the State and National Registers recognizes the importance of these properties as resources. Acton's three Local Historic Districts are the Acton Center District, the South Acton District, and the West Acton District. Local Historic District designation under M.G.L. 40C adds all the properties within them to the State Register and provides regulatory protections to preserve the historic integrity of the districts and their buildings, structures, and sites. In addition, the Acton Cultural Resource List and Historic Properties Survey Forms itemize and describe approximately 400 buildings, structures, and sites town wide. Many of these are outside any of the Local Historic Districts and not listed on the State or National Registers.

Some of the projects aided by CPC funds are: Restoration of the Town Monument; Jones Tavern chimney, roof & gutters; slate roof replacement & restoration of 1864 windows on Town Hall; Windsor Avenue Antique Fire House Exterior; West Acton Citizens' Library windows and exterior; Town Archaeological Survey; update of Cultural Resource List; restoration of historic windows and exterior building envelope for the Acton Community Center, Inc. (Theatre III).

**Acton Women's Club interior, exterior, Town Hall clock mechanicals, original Memorial Library windows, exterior rehabilitation and preservation to the National Register Hosmer House complex. Recent projects include restoration of the Upper Level Pressed Steel Ceiling and upgrade of Fire Safety Systems for the West Acton Baptist Church, as well as ADA Access Improvements for the Acton Women's Club.** Recent projects include the Acton Women's Club interior and exterior work; Town Hall clock mechanicals; the original Memorial Library windows; and exterior rehabilitation and preservation to the National Register Hosmer House complex.

Comment [k9]: SMH

### Historic Resources and Needs

The rural, agricultural, and historic character of Acton is currently threatened by the rapid rise of local land values. It is often more economical to remove older structures and replace them with new, much larger structures that are frequently out of scale with their neighborhood and

setting, a development trend which damages the historic integrity of the Town. The lost structures which gave a sense of history and cultural character to the neighborhood are gone forever. Similarly, the Town is frequently placed in a position of defending itself from large developments and subdivisions that diminish its rural and historic character.

Placement on the Acton Cultural Resource List provides an opportunity to explore alternatives to the demolition of historically significant buildings or structures under Acton's Demolition Delay Bylaw. Some historic resources are not listed or adequately documented and some are at risk of demolition. The CPA gives Acton the opportunity to realize the goals of the *Acton 2020 Comprehensive Community Plan* (Master Plan adopted in 2012). These goals become much more attainable with a dedicated funding source.

### Historic Preservation Goals

- Protect, preserve, and/or restore historic properties and sites throughout Acton, which are of historical, architectural, archeological, and cultural significance. Work to assist owners with adaptive re-use of historic properties.
- Protect threatened properties of historical significance by fully documenting the architectural and/or historical significance on survey forms for Acton's Cultural Resource List, and National Register application forms when applicable. Investigate and, if deemed feasible, adopt preservation restrictions for historic properties.
- Preserve the ~~remaining-existing~~ rural/historic character of the Town, including, but not limited to, residential and non-residential buildings, barns, outbuildings, burial grounds, markers, monuments, stone walls, fields, cart paths, historic land- and streetscapes, and scenic vistas. Work to maintain the character of Acton's country roads.
- Continuously update and maintain the Acton Cultural Resource List and archival records.
- Provide education and community outreach regarding the extensive historical and cultural resources within Acton. A signage program for historic structures to increase public awareness of historical and cultural assets within Acton has been developed and shall continue.

**Comment [k10]:** *Coalition:* This may not be fundable with CPA funds, so perhaps should not be listed as a goal in this plan.

**Comment [k11]:** SMH

**Comment [k12]:** *Coalition:* Education and outreach activities are not fundable with CPA funds, so perhaps this goal should not be listed here.

## THE CPA FUNDING APPLICATION PROCESS

---

The Committee invites CPA funding application for the upcoming funding round. It is the responsibility of the Committee to review all applications and to make recommendation(s) to Town Meeting as to which, if any, of these applications should be so funded. The Committee expects to bring its recommendations to the ~~2014~~2015 Annual Town Meeting. The Committee has developed the following four-step process for reviewing, recommending, and funding of CPA proposals.

### **Step 1. Submit Completed Application by ~~Tuesday~~Monday, November 1~~7~~2, ~~2013~~2014**

Applications shall consist of:

- 3 double-sided printed copies of the complete application (Project Application Form and all attachments),
- 1 electronic copy of the complete application in \*.doc or \*.pdf format, and
- 12 double-sided printed copies of only the Project Application Form and Narrative attachment.

Applications must be received by ~~Tuesday~~Monday, November 1~~7~~2, ~~2013~~2014 to be eligible for ordinary consideration at the ~~2014~~2015 Annual Town Meeting. At its discretion the Committee may vote to extend or waive the deadline due to special circumstances or for compelling reasons.

Applications for CPA funding must be submitted to the following address:

Community Preservation Committee  
c/o Planning Department  
Acton Town Hall  
472 Main Street  
Acton, MA 01720  
cpc@acton-ma.gov

### **Step 2. Community Preservation Committee Review and Public Comment**

**A. Application Review:** The Community Preservation Committee will review submitted applications to determine whether the proposed projects:

1. Are eligible for Community Preservation funding; and
2. Are sufficiently developed in terms of their work plan and ripe in terms of timing for further consideration; and
3. Are consistent with the goals for CPA funding as set forth in this Plan; and
4. Are signed by the property owner.

**B. Project Review Meetings:** The Committee may ask applicants to meet with the Committee or its representatives to discuss their applications. These meetings will be

publicly noticed. The Committee will seek public comments on proposed projects. Applicants are encouraged to meet and consult with other appropriate Town committees to assist with the vetting process, for instance with the Open Space Committee for open space acquisition proposals or with the Historical Commission for historic preservation project proposals.

**C. Notification:** The Committee will notify applicants of its decisions concerning recommendations. It may ask eligible applicants to submit additional information.

**D. Committee Recommendations:** The Committee will make its final recommendations for funding in the form of one or more warrant articles to be voted on at the ~~2014~~2015 Annual Town Meeting. The Committee may recommend a project as proposed by the applicant, or may modify the project, or it may recommend partial funding or funding for only a portion or phase of the proposed project. The Committee's recommendations to Town Meeting may include detailed project scopes, conditions, and other specifications as the Committee deems appropriate to ensure CPA compliance and project performance.

### Step 3. Town Meeting Vote

The Committee will present its recommendations to the ~~2014~~2015 Annual Town Meeting for discussion and vote. Town Meeting has the final authority to award funds from Acton's Community Preservation Act Fund. A simple majority vote is required to approve funding. A two-thirds vote is required for borrowing.

### Step 4. Award Letter

For projects approved by Town Meeting, the Committee will issue award letters with information on funding amount, funding conditions, project modification as voted by Town Meeting (if any), Town staff contact information, and guidelines for project execution. A sample letter can be found in the Appendix.

### Step 5. Project Execution

Funding for approved projects will be available following the issuance of the award letter subject to conditions contained in the award letter. CPA monies are public funds. Projects financed with CPA funds must comply with all applicable State and municipal requirements, including the State procurement law, which requires special procedures for the selection of products, vendors, services, and consultants.<sup>10</sup>

All CPA funds are administered and disbursed by the Town of Acton. All bid documents or requests for proposals must be approved by the Town Manager before publication. All purchases of goods and services require a Town of Acton purchase order issued by the Town

<sup>10</sup> For Example: Purchases over \$5,000 require the solicitation of at least three quotes. Purchases over \$25,000 require the publication of "invitations for bids" or "requests for proposals". Contracts for goods and services must be awarded to the lowest qualified bidder, which may be someone other than who assisted the applicant with a project application. Project purchases cannot be split to avoid the State procurement laws.

Manager or his designee. Final decisions regarding the selection of goods and services are the responsibility of the Town Manager. All contractual agreements with vendors or service providers must be approved and signed by the Town Manager. Payments are made only after the receipt of goods or services. The Town Manager may approve partial payments for partially completed service as may be specified in a Town-approved service contract or on a case by case basis at his discretion.

Where a private funding source supplements a CPA appropriation for a project to be carried out by the Town of Acton or on land owned by the Town of Acton, all such private funds must be donated to the Town of Acton before any goods or services are procured for the project and must be utilized first before CPA funds can be accessed.

The aforementioned guidelines do not strictly apply where a CPA appropriation is made as a grant to a non-governmental entity or a governmental or quasi-governmental entity other than the Town of Acton. However, the Community Preservation Committee and the Town Manager, or his designee, may require accounting and reporting procedures that are appropriate in the context of the project and satisfy the Town's need to comply with municipal finance laws.

For questions about procurements and other financial requirements and procedures the applicant should contact the Town Treasurer at (978) 929-6623 or [treasurer@acton-ma.gov](mailto:treasurer@acton-ma.gov). General questions concerning the application process should be directed to Roland Bartl, Planning Director, via email at [cpc@acton-ma.gov](mailto:cpc@acton-ma.gov), or by calling (978) 929-6631. Mr. Bartl, or other Planning Department staff will assist prospective applicants directly or will refer them to other appropriate Town staff.

The Committee may request project status updates from Fund recipients. The purpose of such updates is to aid the Committee in refining the Plan and to identify issues that may assist future applicants.

The Committee has signs that give funding credit to the Acton CPA program. The signs are available at the Acton Planning Department and should be posted at project sites.

CPA projects must commence within 3 years and 1 month from the date of the Town Meeting appropriation (see Acton Town Charter). The funding for any project not started within said time is automatically rescinded, unless Town Meeting has expressly waived the time lapse period or voted to renew the appropriation. Any funds that are unused and left over after the completion of a project are recaptured and returned to the CP Fund for future CPA project appropriations.

## GUIDELINES FOR SUBMISSION

---

The following guidelines should be utilized in preparing an application for CPA funding. These guidelines should be utilized in consideration of the applicable Plan goals, and in conjunction with the "Review and Recommendation Criteria" section of this Plan.

- Each project funding application must be submitted using the *Community Preservation Plan* "Project Application Form." Additional pages should be added as necessary.
- Project funding applications shall consist of:
  - 2 double-sided printed copies of the complete application (Project Application Form and all attachments),
  - 1 electronic copy of the complete application in \*.doc or \*.pdf format, and
  - 12 double-sided printed copies of only the Project Application Form and Narrative attachment.

Applications must be received by ~~Tuesday~~Monday, November 17~~2~~, ~~2013~~2014 to be considered at the ~~2014~~2015 Annual Town Meeting. Submit applications to:

Community Preservation Committee  
c/o Planning Department  
Acton Town Hall  
472 Main Street  
Acton, MA 01720  
cpc@acton-ma.gov

- Funding applications should be for projects that can commence immediately and that can be completed within 5 years.
- If submitting multiple applications, projects should be submitted in order of priority.
- Applicants should review the CPA, the Acton CPA Bylaw (Chapter S), and this *Community Preservation Plan* prior to submitting CPA funding applications.
- Applicants should prepare itemized project scopes, with details describing each item and its estimated cost.
- Prior to submittal, applicants are encouraged to clarify with the Committee, the Planning Department, or their own legal counsel as to the eligibility of their project under the Community Preservation Act (M.G.L. Ch. 44B)
- If applicable, applicants should be prepared to provide their own legal counsel for matters relating to conservation and historic preservation restrictions and/or legal filings.
- Applicants should obtain professionally prepared quotes for project costs whenever possible. If such quotes are not available, detailed cost estimates may be used provided the basis of the estimates is fully explained.

- Every project cost estimate should include a line item for contingencies with an explanation for the contingency amount and circumstances that might result in a project cost overrun.
- If the funding application is part of a longer-term project that will rely on other existing or anticipated funding sources, including additional future CPA project applications, the applicant should include the total project cost.

Applicants should take the following factors into consideration when completing the application. In evaluating project proposals, the Committee will use these factors in conjunction with the criteria outlined under "Review and Recommendation Criteria":

Community Character:

- encourage and preserve open space and agriculture
- promote/maintain diversity in housing stock
- preserve historic resources
- re-use existing structures
- enhance social, economic, cultural, historical, and natural resources, and their diversity
- preserve/revitalize historic centers/districts
- acquire/preserve threatened resources
- be consistent with Town planning documents
- Promote Smart Growth and sustainable development principles

Community Impact/Needs:

- provide present and future uses
- increase/expand recreational facilities
- protect environmental/water resources
- address community need/fill void in community
- maximize number of people affected/benefiting
- meet needs of under-served populations
- meet multiple needs and populations

Fiscal Impact:

- initial cost
- ongoing maintenance or program costs
- minimize financial impact on taxpayers
- debt commitment
- multiple funding sources
- revenue generation
- feasibility

Other Factors:

- degree of urgency
- required timeline or impending deadlines
- complexity of execution

For additional information on the CPA statute and how it is being applied in towns across the State, visit the Community Preservation Coalition website at [www.communitypreservation.org](http://www.communitypreservation.org).

For information on Acton's Community Preservation activity, visit the Town website at [www.acton-ma.gov](http://www.acton-ma.gov).

## REVIEW AND RECOMMENDATION CRITERIA

---

It is the responsibility of the Committee to review all projects proposed for funding through the CPA Fund and to make recommendations to Town Meeting as to which, if any, of the proposed projects should be funded. In order to be considered eligible for review by the Committee, a project must at a minimum meet the statutory requirements of the CPA.

A project submitted to and deemed eligible for consideration by the Committee will be evaluated in relation to the following "Review and Recommendation Criteria." Recommendations for funding will be based on how well the individual projects meet these criteria, recognizing that all criteria may not apply to every project. The Committee will also give due consideration to the urgency of the project, with particular consideration given to those projects whose successful implementation is constrained by scheduling factors not controlled by the applicant.

- The project is consistent with the goals of the Town of Acton *Community Preservation Plan*.
- The project is consistent with the Acton 2020 Comprehensive Community Plan, the Town of Acton *Open Space and Recreation Plan*, and other Town planning documents that have received wide scrutiny and input. These are available at the Acton Planning Department, the libraries, and on [www.acton-ma.gov](http://www.acton-ma.gov). In the case of Historic Resource projects, the work specified is consistent with the Secretary of the Interior's Standards for Rehabilitation – see Appendix 5.
- The project is economically or otherwise reasonably feasible to implement.
- The project serves a currently under-served population.
- The project serves multiple needs and populations and/or addresses more than one focus area of the CPA.
- The project leverages additional or multiple sources of public and/or private funding.
- The project utilizes, preserves, protects, or enhances currently Town-owned open space, recreation, historic and/or housing assets.
- The project is consistent with recent Town Meeting actions.
- The applicant/applicant team has successfully implemented projects of similar type and scale, or has demonstrated the ability and competency to implement the project as proposed.
- The applicant has site control, or the written consent by the property owner to submit an application.
- The applicant has given notice of the proposed project to abutters and the neighborhood where the project is proposed.

## PROJECT APPLICATION FORM – 20142015

**Applicant:** \_\_\_\_\_

**Submission Date:** \_\_\_\_\_

**Applicant's Address:** \_\_\_\_\_  
\_\_\_\_\_

**Purpose: (Please select all that apply)**

- ☐ Open Space
- ☐ Community Housing
- ☐ Historic Preservation
- ☐ Recreation

**Phone Number:** \_\_\_\_\_

**E-mail:** \_\_\_\_\_

**Town Committee (if applicable):** \_\_\_\_\_

**Project Name:** \_\_\_\_\_

**Project Location/Address:** \_\_\_\_\_

**Amount Requested: \$** \_\_\_\_\_

**Project Summary:** In the space below, provide a brief summary of the project.

**Estimated Date for Commencement of Project:** \_\_\_\_\_

**Estimated Date for Completion of Project:** \_\_\_\_\_

**Submit:**

- **3 double-sided printed copies of the complete application (Project Application Form and all attachments),**
- **1 electronic copy of the complete application in \*.doc or \*.pdf format, and**
- **12 double-sided printed copies of only the Project Application Form and Narrative attachment**

**to:**

**Submission Deadline: ~~Tuesday~~Monday, November 17~~2~~, 20132014<sup>11</sup>**

**Attach the following with all applications:**

- **Narrative:** A complete and detailed description of the project and area, when applicable, of the property involved and its proposed use. Describe how the project will benefit the Town and the citizens of Acton and how the project is consistent with the Community Preservation Plan's "Guidelines for Submission" and "Review and Recommendation Criteria." Include a work plan showing the anticipated steps or phases for completion of the project and the timing and estimated cost of each phase.
- **Site Control:** A copy of the deed, purchase and sale agreement, option agreement, or other document to prove that the applicant has site control; or the property owner's written consent to the application and to the proposed project. If site control is not established, please explain in detail.
- **Project Scope:** An itemized project scope, with details describing each item and its estimated cost.
- **Cost Estimate:** Professionally prepared appraisal; or professionally prepared cost estimate (or detailed cost estimate with full explanation by line item and back-up material).
- **Feasibility:** List and explain all further action or steps that will be required for completion of the project, such as environmental assessments, zoning or other permits and approvals, agreement on terms of any required conservation, affordability, or

<sup>11</sup> Tuesday, November 12, ~~2013~~2014 is the deadline to be eligible for ordinary consideration at the ~~2014~~2015 Annual Town Meeting. At its discretion the Committee may vote to extend or waive the deadline due to special circumstances or for compelling reasons.

historic preservation restrictions, subordination agreements, and any known or potential barriers or impediments to project implementation.

- **Neighbor(hood) Outreach:** For new development projects, such as new community housing or new recreation facilities, provide evidence that neighbors have been contacted and had an opportunity to comment on the proposed project. Provide documentation on how the project application is responsive to the neighbors' comments and concerns.
- **Maps:**  
USGS topographical map, assessors map, or other map as appropriate, showing location of the project.
- **Photographs** of the site, building, structure, or other subject for which the application is made.

**Include the following, if applicable and available:**

- Record plans of the land.
- Natural resource limitations (wetlands, flood plain, etc.).
- Zoning (district, dimensional and use regulations as applies to the land).
- Inspection reports.
- 21E Reports and other environmental assessment reports.
- Cost estimate for the preparation of baseline documentation and conservation and/or historic preservation restriction.
- Cost estimate for ongoing site monitoring under and potential enforcement of a restriction.
- Architectural plans and specifications for new construction and rehabilitation.
- Site plans and specifications.
- Maps, renderings, etc.
- Historic Properties Inventory Form.
- Existing conditions report.
- Names and addresses of project architects, contractors, and consultants.
- Other information deemed useful for the Committee in considering the project.

**Notes:**

- Following the initial review of all applications, the Community Preservation Committee may request from applicants additional or more detailed information, and further clarifications to the submitted proposals. The Committee may ask an applicant to provide a Historic Properties Inventory Form as part of their application. The Committee may request from the applicant a legal opinion to help it assess CPA project eligibility and to provide answers to any other questions that the Committee may have before finalizing its recommendation to Town Meeting.
- Once the Committee has made a preliminary selection of projects for funding, the Committee will work with the applicants for those projects to advance them for funding by Town Meeting.

- The Committee reserves the right to attach conditions, and to require deed restrictions and additional agreements, before its favorable funding recommendation to Town Meeting or as a condition in the award letter.

The ~~2013~~2014 Annual Town Meeting adopted all the Committee's recommendations including the first purchase of open space through partial CPA bonding M.G.L. c. 44B, § 11. ~~except those pertaining to Morrison Farm.~~

~~The June 2013 Special Town Meeting appropriated, pursuant the Committee's recommendation, \$1,060,000 from the Open Space Set-Aside Fund and \$50,000 from the general Community Preservation Funds towards the purchase of 20.68 acres of forested open space at the intersection of Newtown Road with Arlington Street. The total acquisition cost for the land was~~

~~\$1,320,000. Town Meeting also appropriated \$260,000 from the Town's 'free cash' for the acquisition.~~

The remaining CP Fund balance after the ~~2013~~2014 Town Meeting appropriations is ~~\$211,960~~2,454.53.

The Open Space Set-Aside Fund appropriations are cumulative and subject to future appropriations by Town Meeting for specific projects or land acquisitions. The Open Space Set-Aside Fund balance after the ~~2013~~2014 Town Meeting appropriations into the fund and from the fund is \$1,658,572.

~~The Historic Preservation Set Aside Fund totals \$49,224.00. Due to the level of demand for FY13 CPA funds, and the number of valuable projects, the Committee made a cognizant decision to recommend, and Town Meeting subsequently approved funding which left a zero balance in the Historic Preservation set-aside account.~~ There are no set-aside fund balances for Community Housing.

**2.a 2014 Annual Town Meeting – Community Preservation Project Articles**

**ARTICLE 19 COMMUNITY PRESERVATION PROGRAM –  
(Two-thirds vote) OPEN SPACE ACQUISITION, WRIGHT HILL**

To see if the Town will vote to:

- (a) authorize the Board of Selectmen to acquire by purchase, gift, eminent domain or otherwise, on such terms and conditions as the Selectmen may determine, and to accept a deed of fee simple interest in a portion of the real property located at 18 Wright Terrace and depicted on Assessors' Map F-2A as Parcel 1, consisting of approximately 14 ± acres of open space for conservation purposes under M.G.L. c. 44B, the Community Preservation Act;
- (b) appropriate the purchase price and all necessary and appropriate transaction costs for said purchase including, without limitation, costs for due diligence, legal services, bonding, conservation restriction and its monitoring and enforcement, and other transaction, acquisition and related costs;
- (c) authorize the Treasurer, with the approval of the Selectmen, and pursuant to the favorable recommendation of the Community Preservation Committee, to borrow for a repayment term of not less than 15 years and not more than 20 years up to \$990,000 as authorized under the Community Preservation Program pursuant to M.G.L. c. 44B, § 11, and to transfer, appropriate and expend said amount consistent with this article;
- (d) transfer, appropriate and expend, consistent with this article and pursuant to the favorable recommendation of the Community Preservation Committee from the existing Open Space Set Aside portion of the Community Preservation Fund balance an amount equal to the difference between \$1,320,000 and the amount bonded pursuant to subparagraph (c) of this article;
- (e) raise, appropriate, transfer from available funds or accept gifts and grants of such additional funds as are necessary to accomplish the purposes of this article;
- (f) authorize the Selectmen and the Conservation Commission to submit on behalf of the Town any and all applications deemed necessary for grants and/or reimbursements from the Commonwealth of Massachusetts, or the United States, under the Self-Help Act (M.G.L. Chapter 132A § 11) and/or any other state or federal programs including those in aid of conservation land acquisition, and to transfer, appropriate and expend any said amount so received consistent with this article;
- (g) authorize and direct the Board of Selectmen to impose a perpetual Conservation Restriction on the open space so acquired, in accordance with M.G.L. c. 44B, § 12(a) and M.G.L. c. 184, §§ 31-33, on such terms and conditions as the Selectmen may determine (the "Conservation Land");
- (h) authorize and direct the Board of Selectmen in accordance with M.G.L. c. 44B, § 12(b), to delegate the management of the Conservation Land to the Conservation Commission subject to the perpetual Conservation Restriction as aforesaid; and
- (i) authorize the Selectmen, the Town Manager, the Treasurer, and the Conservation Commission, as appropriate, to enter into all agreements and execute any and all instruments as may be necessary to effect this article;

or take any other action relative thereto.

**SUMMARY**

With this article the Community Preservation Committee recommends that the Town acquire 14 ± acres of open space located at 18 Wright Terrace for conservation purposes and authorizes the appropriation of CPA Open Space Set Aside funds and borrowing for the cost of this

acquisition. This parcel is on the prioritized parcel list of the Town of Acton Open Space and Recreation Plan. Wright Hill is one of nine glacial drumlins in Acton and rises directly to the northwest of West Acton Village. The landscape of the property is a combination of open fields, old orchards and woodlands. The center of Wright Hill is one of Acton's highest points of land with panoramic views in nearly all directions. The permanent protection of this parcel secures opportunities for trail connections between the West Acton Village center and the Guggins Brook and Jenks Land Conservation Areas. It preserves wildlife habitat and corridors, and a rare upland meadow. This recommended acquisition is conditioned on the Town imposing a perpetual Conservation Restriction on the land and placing it under the care and protection of the Town of Acton Conservation Commission. It does not include the existing house and about 4 acres that will remain with the house.

\* Provided further pursuant to Town Charter Section 6-5 that the appropriation to the Community Housing Program Fund shall not lapse three years and one month following the effective date of the vote on this article, and that this appropriation and all prior appropriations to the Community Housing Program Fund shall continue to be available for the purpose specified until expended for that purpose or until the CPC recommends and Town Meeting votes to rescind the appropriation of any unspent funds appropriated for this purpose.

\*\* If Town Meeting appropriates funds for the acquisition of open space land on Wright Hill as set forth in the prior Article the resulting Open Space Set-Aside Fund balance will be reduced accordingly from the amount stated in the table above.

. or take any other action relative thereto;

And, whereas Massachusetts General Laws, Chapter 44B requires that the Town appropriate for spending, or set-aside for future spending, from the 2013 Community Preservation Fund Revenues at least 10% for open space, 10% for historic preservation, and 10% for community housing;

And, whereas the recommended appropriations for open space, historic preservation, and community housing each meet or exceed 10% of the 2013 Community Preservation Fund Revenues;

And, whereas Town Meeting may vote to delete or reduce any of the recommended amounts;

Therefore, in the event that recommended amounts are deleted or reduced, vote to appropriate as a set-aside for future spending from the FY 2013 Community Preservation Fund Balance the minimum necessary amounts to allocate not less than 10% of the FY 2013 Community Preservation Fund Revenues for open space (\$123,263.93), not less than 10% of the FY 2013 Community Preservation Fund Revenues for historic preservation (\$123,263.93), and not less than 10% of the FY 2013 Community Preservation Fund Revenues for community housing (\$123,263.93), or take any other action relative thereto.

#### **SUMMARY**

This article would make appropriations from the Town's Community Preservation Fund balance. All items listed are recommended by the Community Preservation Committee.

In 2002, the Town adopted the Community Preservation Act, Massachusetts General Laws Chapter 44B (CPA). This established Acton's Community Preservation Fund through a 1.5% annual surcharge on real estate property tax bills with certain exemptions, and made the Town eligible to receive annually additional monies from the Massachusetts Community Preservation Trust Fund, which are added to the Town's Community Preservation Fund. Under the CPA, the Community Preservation Fund may be used to acquire, create and preserve open space; to acquire, preserve, rehabilitate, and restore historic resources; to acquire, create, preserve and support community housing; to acquire, create, preserve, rehabilitate and restore land for recreational use; to rehabilitate and restore open space and community housing that were acquired or created with Community Preservation Funds; and for certain related expenses in support of the foregoing. Community housing is defined as housing for low- and moderate-

income individuals and families. This is the ninth year of appropriations from Acton's Community Preservation Fund.

Local adoption of the CPA established the Acton Community Preservation Committee as a statutory committee under the Act (Chapter S of the Bylaws of the Town of Acton). The Community Preservation Committee's duties under the law are to study the needs, possibilities, resources, and preferences of the Town regarding community preservation; to engage in an open and public process of deliberation and consult with other Town Boards and Committees; and to make recommendations to Town Meeting for appropriations from the Community Preservation Fund.

In September 2013, the Community Preservation Committee published its 2014 Community Preservation Plan with guidelines for the submission of projects seeking funding. The Committee received sixteen applications for funding of proposed projects and programs. One was withdrawn. The Committee reviewed all remaining applications, interviewed proponents, and solicited legal opinions on the proposals to help evaluate their eligibility under the Act. This article represents the Committee's overall recommendation for appropriations, which includes recommended funding from the available Community Preservation Fund balances for thirteen of the proposed projects and programs, statutorily required adjustments, and administrative program support. The recommended funding levels may differ from the amounts requested by the projects' proponents and some of the proposed projects have undergone significant transformations from how they were proposed originally. An additional project, the Wright Hill Open Space land acquisition, is recommended for funding through an appropriation from the CPA Open Space Set-Aside Fund and through borrowing as set forth in the prior Article of this warrant.

All recommended amounts are "up-to" spending limits. Savings, if any, will be available for future appropriations. As in previous years the recommended appropriations include a set-aside for open space. The recommended appropriations leave a remaining Community Preservation Fund balance of \$2,454.53 that is available for future Town Meeting appropriations in all eligible funding categories under the Act.

The CPA states that Town Meeting may delete or reduce any of the recommended appropriations, but may not add new items or increase the recommended appropriations. The Act also requires that the Community Preservation Committee recommends and that Town Meeting appropriates in each fiscal year the spending of not less than 10% of the annual revenues in the Community Preservation Fund (\$123,263.93 in FY 2013) for each of the following: open space; historic resources; and community housing. The Committee may also recommend the eminent domain taking by the Town of interest in real property (not recommended this year), the borrowing of funds for Community Preservation (see separate articles in this warrant), and an appropriation of not more than 5% of the annual revenues of the Community Preservation Fund for the Committee's administrative and operating expenses (\$61,631.00 recommended).

A total of \$159,672.56 has been recaptured from unspent prior years' Community Preservation project appropriations and closed to the Community Preservation Fund. The recaptured amounts came from nine projects and programs scattered over six prior year. The recapture of prior year project appropriations can result in spending less than the statutory minimum 10% in any particular fiscal year for historic, open space or community housing projects. This article makes appropriations to the Historic Set-Aside fund to compensate for such shortfalls in two

prior years, before in turn appropriating the resulting balance in the Historic Set-Aside Fund to support a recommended historic rehabilitation project.

#### **A. Open Space Set-Aside**

The current Open Space Set-Aside Fund balance is \$1,538,571.87. This item adds \$450,000.00. Town Meeting, with the recommendation of the Community Preservation Committee, may appropriate spending from the Open Space Set-Aside Fund for the purpose of acquisition, creation, and preservation of open space, or its rehabilitation or restoration. If Town Meeting appropriates funds for the acquisition of open space land on Wright Hill as set forth in the prior Article the resulting Open Space Set-Aside Fund balance will be reduced accordingly from the amount stated in the table above.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **B1 and B2. Historic Preservation Set-Aside(s)**

The recapture of prior years' unspent CPA funds appropriated in 2007 and 2009 for historic purposes put the Town below the 10% statutory minimum threshold for either spending or setting aside for later spending CPA funds for historic preservation, rehabilitation and restoration purposes in those years. To make up these shortfalls, the Committee recommends a total appropriation of \$14,189.02 to the Set-Aside Fund for the Acquisition, Preservation, Rehabilitation, and Restoration of Historic Resources. This is added to the existing \$49,224.00 Historic Set-Aside Fund balance. Town Meeting, with the recommendation of the Community Preservation Committee, may appropriate spending from this set-aside fund for the purpose of acquisition, preservation, rehabilitation and restoration of historic resources. With item H2 of this Article, the Community Preservation Committee recommends spending of the Historic Set-Aside Fund balance on a recommended historic rehabilitation project.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **C. Acton Arboretum – Parking Lot Improvements**

The existing gravel parking lot at the Acton Arboretum is often muddy and rutted. The parking lot is frequently full with overflow cars having to parallel park on the edges, making it difficult to navigate the lot. Only one paved handicapped accessible parking spot is available at the site. The Acton Arboretum is the only conservation land in Acton that currently has handicapped-accessible trails. Existing conditions at this parking lot limits use of the Arboretum for the general public. The recommended \$53,000.00 will fund an enlarged, improved, handicapped accessible paved parking lot for the Arboretum.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **D. Acton Arboretum – Bog Boardwalk Replacement**

The existing 214 foot long wooden boardwalk through the Acton Arboretum Bog was originally built in 1989. After several years of constant repairs due to rot and heavy foot traffic, the existing structure can no longer safely sustain current use demands. The recommended \$30,000.00 will help fund the construction of a new boardwalk and a paved 'universal access' sidewalk ramp from Minot Ave. The total cost of the project is \$63,000. Pledged and anticipated

additional contributions to this effort include a \$30,000 match from a private donor, \$3,000 in donated funds from the Friends of the Acton Arboretum and resources from the Natural Resources, Highway and Engineering Departments. The boardwalk plans include raising the platform 18" above the plant life for reduced ecological impact and a new composite decking designed to allow more light to flora and fauna beneath. The new boardwalk is expected to require little maintenance over a projected 30 year lifespan.

<u>Recommendations:</u>	<u>Board of Selectmen</u>	<u>Finance Committee</u>
	<u>Recommended</u>	<u>Recommended</u>

#### **E. NARA Security Upgrades and Shade Structures**

The recommended \$15,175.00 appropriation for the NARA improvements includes two additional shade structures and bathhouse security upgrades.

Shade in the playground has been frequently requested and lack of shade in general is the number one complaint at NARA. The two proposed shade structures; one for the NARA Beach and one for the children's playground, will improve recreational conditions in the hot summer months.

One year ago, the bathhouse office serving the recreational uses at NARA was broken into and a safe was stolen. This incident and subsequent attempted break-ins highlight the need for better security measures. The proposed security upgrades will include new lock systems.

<u>Recommendations:</u>	<u>Board of Selectmen</u>	<u>Finance Committee</u>
	<u>Recommended</u>	<u>Recommended</u>

#### **F. Goward and Gardner Playgrounds - Basketball Court Renovations**

The basketball courts at the Goward and Gardner Playgrounds require updating. Due to aging, the surfaces have cracks and are uneven. The recommended \$76,000.00 will fund the removal of the old equipment and existing asphalt, and pay for the installation of post-tensioned concrete slabs, permanent line markings and junior size adjustable hoops. The proposed court surfaces will last longer than traditional asphalt and come with a 20 year guarantee.

The Gardner court would remain a 50'x30' junior court while Goward court would be modified from a 40'x40' half court to a 50'x30' junior court. This rehabilitation project addresses safety concerns and updates that are overdue. Gardner and Goward Playgrounds are both geared toward young children. The creation of equipment targeted to this age group will create new recreation programming opportunities for youth basketball players.

<u>Recommendations:</u>	<u>Board of Selectmen</u>	<u>Finance Committee</u>
	<u>Recommended</u>	<u>Recommended</u>

#### **G. Schools – Nature Play Space Planning Grant**

Play areas and structures at the pre-K through grade 6 Public School in Acton, being transitioned to the regional school district, are situated in the outdoors, but do not invite children to interact with nature in independent ways. The recommended \$24,000.00 will help fund the preliminary design and final schematic plan for the creation of handicapped accessible, simply constructed nature place spaces for all of the pre-K through grade 6 schools. The total cost for this project is \$40,500. The difference is expected to be made up from various school partners.

<u>Recommendations:</u>	<u>Board of Selectmen</u>	<u>Finance Committee</u>
	<u>Recommended</u>	<u>Recommended</u>

### **H1 and H2. Acton Woman's Club – ADA Access Improvements**

The Acton Woman's Club is located in Acton Center Historic District. The Woman's Club received Community Preservation Act funding in 2011 for the installation of an accessible sloped walkway at the right-side building entrance to provide handicap accessibility to the first floor. Subsequently, the improvements triggered the requirement of full building accessibility by the Massachusetts' Architectural Access Board. The recommended \$150,000 will help provide full accessibility for this historic property by installing a vertical lift to the second floor and renovating the first floor bathroom. The total cost for this rehabilitation project is \$248,400. This award anticipates the difference will be made up through third-party grant funds or by completing the project with a phased CPA funding approach. This rehabilitation work must be carried out to be in compliance with the Standards for Rehabilitation stated in the United States Secretary of the Interior's Standards for the Treatment of Historic Properties codified in 36 C.F.R Part 68.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

### **I. Community Housing Program Fund**

The recommended \$175,000 appropriation replenishes the existing Community Housing Program Fund for "the acquisition, creation, preservation, and support of community housing in the Town of Acton." The Fund was first established with a CPA appropriation in 2004. It is used to finance a diversity of affordable housing initiatives and opportunities as they arise, for Acton residents and their adult children, for employees who work for and in the Town, as well as for new residents from outside of Acton. This fund is managed by the ACHC for Community Housing activities and projects that are allowable under the CPA and recommended by the ACHC or any other entity subject to approval by the Board of Selectmen.

As in previous years, the ACHC proposes to largely continue current programs and initiate new programs. Recent programs and projects include:

- Providing funds to the Acton Housing Authority (AHA) for enhanced landscaping for Whittlesey Village;
- Closing costs assistance to 14 first time homebuyers of affordable units;
- The purchase or subsidy of 6 units for the Acton Housing Authority's low income rental program including 4 new construction units;
- Funding sewer betterments for affordable units in 3 developments;
- A condo buy-down and selling price subsidy for 9 units;
- Capital improvements for 4 affordable units, and
- Commitments to purchase two new units in 2014 for the Acton Housing Authority's low income rental program.

The ACHC has access to privately funded affordable housing gifts that can be leveraged or supplemented with CPA appropriations to the Community Housing Program Fund.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

### **J. Regional Housing Services**

The Acton Community Housing Corporation ("ACHC") and the Town of Acton requested CPA funds for the continued participation in a Regional Housing Services Program to assist with meeting the administrative, compliance and monitoring needs for the Town's existing affordable

housing units and to further regional housing goals and efforts. The Town approved Acton's participation with a two-year CPA appropriation in 2012. The recommended \$42,000 appropriation will cover the fees for the next two-year contract with the regional program. If approved, the Town of Acton will enter into an Inter-Municipal Agreement with the other program member communities for a two-year renewable term.

The Regional Housing Services Office currently located in Sudbury will be relocating to the Town of Concord and managed by Concord's Director of Planning and Land Management. The Office assists with affordable housing matters in the participating towns – Acton, Bedford, Concord, Lexington, Sudbury, and Weston. This innovative regional approach to managing the administration of local affordable housing programs was developed with the assistance of the Metropolitan Area Planning Council (MAPC), funded by the State's District Local Technical Assistance (DLTA) program, and launched on July 1, 2011.

During the term of the agreement, the Regional Housing Services Office will provide core housing services to Acton totaling at least 370 hours per year with the specifics of services negotiated by the ACHC, and under its direct supervision. Such services may include, for instance, checking compliance with regulatory agreements; monitoring of affordable housing units; updating and reconciliation of local housing inventory records with those maintained by the Department of Housing and Community Development; project-review assistance; maintenance of ready-buyer lists; assistance with affordable housing lotteries and resales; and conducting homeownership training.

CPA funds can be used for the "preservation and support of community housing." Where this funding request is for a program whose goal is to assist the local housing programs, ensure compliance with restrictive covenants and further affordable housing solutions for the region, it is preserving and supporting community housing as provided in the Act.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **K. Acton Housing Authority – Windsor Avenue Doors and Windows**

The Acton Housing Authority apartment complex at Windsor Avenue is in need of new doors and windows in order to preserve and protect the affordable housing units from further deterioration due to weather and mold. The original doors and windows are 30 years old. The doors are rusting at the bottom and some of the wood door jambs are rotting. The recommended \$92,692 will fund the replacement of both front and back exterior entrance doors in all 17 buildings as well as exterior doors to the community rooms, laundry, mail and meeting rooms, and replacement of the large bay windows in the community room.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **L. Morrison Farm Improvements**

The Morrison Farm Committee, on behalf of the Board of Selectmen, has requested funds to improve passive recreational opportunities at Morrison Farm, improve signage and access, and to preserve two of the significant historic assets adjacent to the property.

The recommended appropriation of \$416,550.00 will fund a new handicapped accessible trail system that would include walking paths along the west side of Ice House Pond from the trailhead at the lower parking lot at Concord Road to the marshy end of the property for future connection with the Bruce Freeman Rail Trail, two small boardwalk crossings over areas that

are seasonally wet, and a 680-foot boardwalk that will extend over the marshy area at the northern edge of Ice House Pond.

The appropriations would also fund a professional archaeological survey of the Robbins Homestead and the Ice House area. The work would include filing an historic inventory form with both the Massachusetts Historical Commission and Acton Historical Commission. Once site details are known, masons will be hired to refurbish and stabilize the cellar hole at Robbins Homestead, and the Ice House concrete foundation will be marked with posts or other landscape elements. The refurbishing and stabilization work will comply with the Standards for Rehabilitation stated in the United States Secretary of the Interior's Standards for the Treatment of Historic Properties codified in 36 C.F.R Part 68.

Improvements will include an upgrade of the existing parking lot at Ice House Pond to accommodate 15-20 cars. A small picnic area will be added adjacent to the parking area at Ice House Pond. The boat launch will be refurbished. Welcome and directional signs will be installed to complete the project.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **M. West Acton Baptist Church – Fire Safety Systems**

The West Acton Baptist Church is located at the corner of Massachusetts Avenue and Central Street and in the West Acton Historic District. This historic building was constructed in 1854 and is listed on the Acton Historical Commission Cultural Resource List. The existing fire protection system is outdated and needs upgrading to remain in compliance with fire inspection standards. The \$52,000.00 appropriation will help fund a complete overhaul of the existing fire and safety protection system which will include ADA compliant components. This extraordinary repair is necessary for the building to maintain its functional intended use. This is a rehabilitation project that must be carried out in compliance with the Standards for Rehabilitation stated in the United States Secretary of the Interior's Standards for the Treatment of Historic Properties codified in 36 C.F.R Part 68. The total estimated project cost is \$58,298.00.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Recommended</u></b>	<b><u>Recommended</u></b>

#### **N. West Acton Baptist Church – Upper Level Pressed Steel Ceiling**

One of the key character defining elements in the West Acton Baptist's historical sanctuary is the pressed steel ceiling installed in 1898. The bas-relief metal ceiling is currently rusting, resulting in peeling paint and loss of the historic detail. The recommended \$37,000 will help fund the removal of the peeling and loose paint from the ceiling, clean and repair the rusted areas, and repaint the ceiling. The rehabilitation of the ceiling is an extraordinary repair that will reverse the deterioration of the ceiling and preserve the sanctuary's historic function for use as a church and meeting place. The rehabilitation project must comply with the Standards for Rehabilitation stated in the United States Secretary of the Interior's Standards for the Treatment of Historic Properties codified in 36 C.F.R Part 68. The total estimated cost of the project is \$42,186.

<b><u>Recommendations:</u></b>	<b><u>Board of Selectmen</u></b>	<b><u>Finance Committee</u></b>
	<b><u>Not Recommended</u></b>	<b><u>Recommended</u></b>

#### **O. Administrative and Operating Expenses**

The recommended appropriation in the amount of \$61,631 is 5% of the FY 2013 revenues in the Community Preservation Fund as provided in the Act (local surcharge and State trust fund receipts). The funding is to help the Town with administrative and legal expenses incurred in connection with the support of the Community Preservation Committee and Program, and to pay for the Community Preservation Committee's direct expenses such as the annual membership in the Massachusetts Community Preservation Coalition.

### 3. Community Preservation Committee 20132 Annual Report

The Community Preservation Committee (CPC) is responsible for the administration of the Community Preservation Fund, the selection of projects for recommendation to Town Meeting for funding, and the monitoring of the progress of funded community preservation projects. By statute, Community Preservation Funds may be allocated to those projects which support the acquisition, creation, and preservation of open space, historic resources, community housing, and land for recreational use.

From the first funding round in 2004 through October 2007 the Town benefited from a 100% State match for all locally raised Community Preservation Funds. Caused by a revenue drop in the Massachusetts Community Preservation Trust Fund and an increasing number of cities and towns adopting the Community Preservation Act (CPA, M.G.L. Ch. 44B), the 2008 State match dropped to 67%, 2009 was 35%, 2010 and 2011 the match was 27%. In 2012 the State match was down a little more to 26.83% (\$208,957). For 2013 the Acton received a 52.23% State match or \$424,035, more than double the previous year's match due to an additional \$25 million that was deposited in the CPA Trust Fund from the State's FY13 budget surplus.

At the beginning of 2013, the Community Preservation Fund balance stood at \$1,215,348.44. In addition, there were \$2,077,537.12 in the Open Space Set-Aside Fund and \$528 in a Historic Preservation Set-Aside Fund.

In April, the Annual Town Meeting appropriated \$953,388 from the Community Preservation Fund for eight projects and items, including:

- \$280,000 for new siding at the Acton Housing Authority's Sachem Way property
- \$100,000 of supplemental funding for the NARA picnic pavilion
- \$75,000 for the playground and tennis courts at Elm Street
- \$300,000 transferred to the Open Space Set-Aside Fund bringing the total balance to \$2,598,571.87
- \$48,696 transferred to the Historic Preservation Set-Aside Fund for a total balance of \$49,224 and
- \$49,629 to cover the Town's direct and administrative costs for the CPA Program.

In June, Special Town Meeting appropriated \$1,060,000 from the Open Space Set-Aside Fund plus \$50,000 from the Community Preservation Fund to acquire +/-20.7 acres at Arlington Street and Newtown Road (Anderson Property) as open space.

Following the actions above, the unallocated Community Preservation Fund balance stood at \$211,960.44, the Open Space Set-Aside Fund balance at \$1,538,571.87, and the Historic Preservation Set-Aside Fund balance at \$49,224.00.

To date, CPC funds have supported approximately 73 community preservation projects throughout the community. Some community preservation projects that were completed during 2013 were:

- The installation of a chair lift at 468 Main St., which houses the Veterans' Affairs Officer and Municipal Properties, thus making this building accessible for meetings
- The restoration of the West Acton Baptist Church Belfry
- Replacement of the Wildflower Boardwalk at the Acton Arboretum

- The Acton Housing Authority's LEED certified Sachem Way community housing project
- The purchase of the Anderson Property at the corner of Newtown Road and Arlington Street
- The restoration of the 1860 Exchange Hall building in South Acton.

In addition, community preservation monies funded ongoing projects and programs such as:

- An Open Space Acquisition and Preservation Fund to assist with appraisal, legal fees, and other cost related to the land acquisition process
- The Community Housing Program Fund administered primarily by the Acton Community Housing Corporation (ACHC). Among other things, the fund pays for buy-down assistance, closing cost, and down payment assistance to first time income eligible homebuyers of deed restricted affordable community housing units, and
- Acton Housing Authority tenant support services.

CPA funding for the Bruce Freeman Rail Trail helped leverage \$1,431,500 in State design funding, which includes the trail in Concord as well as Acton, and an estimated \$11,088,000 in State and Federal construction funding for the trail in Acton. Construction in Acton is scheduled to begin in 2014. Likewise, the Assabet River Rail Trail project in Acton and Maynard is well on its way; CPA funding had leveraged a \$1,080,000 Federal transportation earmark used for design, and an estimated \$4,714,000 for construction in Acton and Maynard, with construction scheduled to begin in 2015.

As of June 30, 2013, the Town had raised \$808,604.27 from the local CPA surcharge for FY2013 (unaudited) and in November received \$424,035.00 in State matching funds (52.23%). Together with \$211,960.44 that remained unallocated at the 2013 Annual Town Meeting and interest earned in FY2013, Acton's total estimated Community Preservation Fund balance at the end of calendar year 2013 is approximately \$1,468,605.88 plus the \$1,538,571.87 in Set-Aside Funds for open space and \$49,224.00 in Historic Preservation Set-Aside funds. In addition, the CPC expects significant turn backs of leftover funds from prior years' CPA funded projects.

Over the summer of 2013 the CPC updated the annual Community Preservation Plan. This process included soliciting comments from community organizations and Town Committees, a public hearing in September to ascertain the needs, possibilities and resources of the Town regarding community preservation, comments and suggestions from Townspeople and representatives of interest groups eligible for CPC funding. The Final 2014 Plan was published in September 2013 and is posted on the Town website. It contains updated guidelines and information for applicants seeking community preservation funds.

In late September the CPC held a workshop for prospective applicants. This session allowed potential applicants to discuss their potential projects, ask questions about the application process, and gain a better sense about what constitutes a strong CPA funding application. In November, the Committee received seventeen applications for funding in 2014, for a total request of \$3,071,860.00. The CPC reviews all project proposals and interviews each applicant. The CPC then deliberates and decides which projects and at which funding level to recommend to the 2014 Annual Town Meeting. In its deliberations, the CPC considers available funding, the applicants' proposals, legal opinions, applicant interviews, input from Town Boards, including the Selectmen and Finance Committee, and comments from the general public.

The Community Preservation Committee generally meets every 2<sup>nd</sup> and 4<sup>th</sup> Thursday of the month in either the Acton Memorial Library meeting room or room 204 at Town Hall. All CPC meetings are open to the public and the Committee welcomes public participation throughout our annual process. Townspeople may e-mail the Committee at [cpc@acton-ma.gov](mailto:cpc@acton-ma.gov) or contact the Town Planning office at (978) 929-6631 with questions, comments, and feedback. For additional information and to view the current Community Preservation proposals, townspeople may visit the Community Preservation page on the Town website at [www.acton-ma.gov](http://www.acton-ma.gov).

- 2013 CPC Members:

Acton, MA 01720

**Re: 2010 CPA Project Funding – Town of Acton  
Open Space Acquisition, Caouette Land – up to \$1,000,000**

Dear Mr. Ledoux:

Congratulations to the Town of Acton on being a recipient of 2010 Community Preservation Open Space Set-Aside funds. The Town's effort and cooperation during this year's project selection process helped secure the necessary support at the Annual Town Meeting of all the Community Preservation Committee's (CPC) spending recommendations. Voters agreed that each funded project is worthwhile and now they expect that each will be well executed. Before you move forward with the project, please pay close attention to the following important instructions and funding conditions:

- The Town staff person assigned to this project is Roland Bartl, Planning Director. All necessary documentation and communication with the Town regarding this project shall be directed to him.
- CPA funding for this project is available immediately following the release date of this letter, up to \$1,000,000, subject to the Town's due diligence investigations with respect to land title and environmental site assessment resulting in satisfactory outcomes and required remedies, if required, as the Board of Selectmen may determine.
- CPA funds shall be used in accordance with standard Town procedures and policies for the land purchase after preparation of a recordable plan and a recordable perpetual conservation restriction, and receipt of an acceptable deed to the land at closing.

- 1 -

- Any significant changes to the project from what was presented in the funding application and during the project selection process shall require CPC approval. Please contact Roland Bartl, Planning Director (978-264-9636; [rbartl@acton-ma.gov](mailto:rbartl@acton-ma.gov)) to discuss whether or not a change must be considered significant, and if necessary to schedule an appointment with the CPC.
- Upon completion of the project and payment of all bills, you must certify completion in writing to the Planning Director. Once he receives your certification, your project account will be closed and no further funds shall be available thereafter for this project.
- Any CPA funds awarded to this project and not used upon project completion shall be returned to the general CPA fund of the Town and made available for future appropriation by Town Meeting for other projects.
- Good publicity for your project is very important. It is important for Acton citizens to know where their CPA funds are being spent. Therefore, the CPC asks that you make every effort to credit the source of this funding at any meetings and in any written materials related to this project. Please submit a letter to the CPC detailing how the funds have benefited your project. The CPC has signs that give funding credit to the Acton CPA program that should be posted at the project sites while work is ongoing.

The Community Preservation Committee would appreciate a notice when work on the project has commenced, periodic updates concerning the progress of your project, and especially notification upon completion. For updates or general questions please contact the CPC via email - [cpc@acton-ma.gov](mailto:cpc@acton-ma.gov), or by calling the Planning Department at (978) 264-9636.

Finally, please sign and return to Roland Bartl the attached acceptance form. Thank you for working in partnership with the CPC to make a significant and lasting difference in our Town.

Sincerely,

Jon Benson  
Chairman  
Community Preservation Committee

**Re: 2011 CPA Project Funding – Acton Woman's Club  
504 Main Street, Building Preservation and Restoration – up to \$99,714**

Dear Ms. Kilpatrick:

Congratulations to the Acton Woman's Club on being a recipient of 2011 Community Preservation funds (CPA funds). The Woman's Club's effort and cooperation during this year's project selection process helped secure the necessary support at the Annual Town Meeting of all the Community Preservation Committee's (CPC) spending recommendations. Voters agreed that each funded project is worthwhile and now they expect that each will be well executed. Before you move forward with the project, please pay close attention to the following important instructions and funding conditions:

- The Town staff person assigned to this project is Roland Bartl, Planning Director. All necessary documentation and communication with the Town regarding this project shall be directed to him.
- CPA funding for this project is available immediately following the release date of this letter, and after:
  - a) The issuance by the Acton Historic District Commission of a Certificate of Appropriateness or Determination of Non-Applicability for the proposed preservation work; and

- 1 -

- b) Execution, conveyance to the Town, and recording of a historic preservation restriction for the property that is in form and substance acceptable to the Community Preservation Committee and Town Counsel. The historic preservation restriction shall be perpetual to the extent permitted by law, subject to review after casualty damage or destruction.
- CPA funds shall be disbursed to the Acton Woman's Club in accordance with the following rules:
  - a) No disbursement of CPA funds shall be made until after the Acton Woman's Club has contracted the architect and landscape architect for the work to be performed under this CPA Fund award, and the Planning Director has received proper documentation of such engagement.
  - b) All CPA fund disbursements shall be made as reimbursements to the Acton Woman's Club for expenses incurred by the Club in connection with this project.
  - c) CPA fund disbursements may be made after receipt by the Planning Director of Acton Woman's Club invoices. The number of invoices shall not exceed five (5) in total, or such other number as the Planning Director may determine.
  - d) All invoices shall include:
    - (1) Supporting contractor invoices for the completed work; and
    - (2) Statements from you certifying that all work items listed in the invoice have been completed to the satisfaction of Acton Woman's Club and consistent with the project scope presented in your funding application.
  - e) In addition, the final CPA Fund disbursement of not less than \$10,000, or the balance of the CPA Fund award, shall be made after full project completion and receipt by the Planning Director of:
    - (1) Certifications from the contracting and supervising architect that all work in connection with this project was completed in compliance with the Massachusetts Building Code;
    - (2) Certifications from the contracting architect that all work in connection with this project was completed in compliance with the Acton Historic District Commission's Certificate of Appropriateness, so far as applicable; and
    - (3) Certification by the Acton Historic District Commission or its agent that the completed work meets the Secretary of the Interior's Standards for the Treatment of Historic Properties, 36 C.F.R. Part 68. This CPA Fund award may be used to pay for such certification if prepared by a qualified outside professional
  - f) No reimbursements shall be made until after the Planning Director has verified that the expenses are consistent with the project scope presented in your funding application and that the conditions of this award letter have been met.

- 2 -

- Any significant changes to the project from what was presented in the funding application and during the project selection process shall require CPC approval. Please contact Roland Bartl, Planning Director (978-264-9636; [rbartl@acton-ma.gov](mailto:rbartl@acton-ma.gov)) to discuss whether or not a change must be considered significant, and if necessary to schedule an appointment with the CPC.
- Upon completion of the project and payment of all bills, you must certify completion in writing to the Planning Director. Once he receives your certification, your project account will be closed and no further funds shall be available thereafter for this project.
- Any CPA funds awarded to this project and not used upon project completion shall be returned to the general CPA fund of the Town and made available for future appropriation by Town Meeting for other projects.
- Good publicity for your project is very important. It is important for Acton citizens to know where their CPA funds are being spent. Therefore, the CPC asks that you make every effort to credit the source of this funding at any meetings and in any written materials related to this project. Upon completion, please submit a letter to the CPC detailing how the funds have benefited your project. The CPC has signs that give funding credit to the Acton CPA program. Please post on such sign at the project site while work is ongoing.

The Community Preservation Committee would appreciate a notice when work on the project has commenced, periodic updates concerning the progress of your project, and especially notification upon completion. For updates or general questions please contact the CPC via email - [cpc@acton-ma.gov](mailto:cpc@acton-ma.gov), or by calling the Planning Department at (978) 264-9636.

Finally, please sign and return to Roland Bartl the attached acceptance form. Thank you for working in partnership with the CPC to make a significant and lasting difference in our Town.

## 5. The Secretary of the Interior's Standards for the Treatment of Historic Properties

*The Secretary of the Interior is responsible for establishing standards for all national preservation programs under Department authority and for advising federal agencies on the preservation of historic properties listed in or eligible for listing in the National Register of Historic Places. There are four distinct, but interrelated, approaches to the treatment of historic properties -- Preservation, Rehabilitation, Restoration, and Reconstruction. **Preservation** focuses on the maintenance and repair of existing historic materials and retention of a property's form as it has evolved over time. **Rehabilitation** acknowledges the need to alter or add to a historic property to meet continuing or changing uses while retaining the property's historic character. **Restoration** is undertaken to depict a property at a particular period of time in history, while removing evidence of other periods. **Reconstruction** re-creates vanished or non-surviving portions of a property for interpretive purposes.*

### STANDARDS FOR REHABILITATION

Rehabilitation is defined as the act or process of making possible a compatible use for a property through repair, alterations, and additions while preserving those portions or features which convey its historical, cultural, or architectural values.

1. A property will be used as it was historically or be given a new use that requires minimal change to its distinctive materials, features, spaces, and spatial relationships.
2. The historic character of a property will be retained and preserved. The removal of distinctive materials or alteration of features, spaces, and spatial relationships that characterize a property will be avoided.
3. Each property will be recognized as a physical record of its time, place, and use. Changes that create a false sense of historical development, such as adding conjectural features or elements from other historic properties, will not be undertaken.
4. Changes to a property that have acquired historic significance in their own right will be retained and preserved.
5. Distinctive materials, features, finishes, and construction techniques or examples of craftsmanship that characterize a property will be preserved.
6. Deteriorated historic features will be repaired rather than replaced. Where the severity of deterioration requires replacement of a distinctive feature, the new feature will match the old in design, color, texture, and, where possible, materials. Replacement of missing features will be substantiated by documentary and physical evidence.
7. Chemical and physical treatments, if appropriate, will be undertaken using the gentlest means possible. Treatments that cause damage to historic materials will not be used.
8. Archeological resources will be protected and preserved in place. If such resources must be disturbed, mitigation measures will be undertaken.
9. New additions, exterior alterations, or related new construction will not destroy historic materials, features, and spatial relationships that characterize the property. The new work will be differentiated from the old and will be compatible with the historic materials, features, size, scale and proportion, and massing to protect the integrity of the property and its environment.
10. New additions and adjacent or related new construction will be undertaken in such a manner that, if removed in the future, the essential form and integrity of the historic property and its environment would be unimpaired.
